

Old Mutual is now offering **Electronic Tax Statements** for your convenience.

You will soon see an option on SalesLink to enroll in **Electronic Tax Statements**. By enrolling in this option, you are authorizing Old Mutual to furnish your tax statements to you electronically through a secured website.

So, what does this mean for you?

1. A faster, more efficient way to access your 1099 tax documents.
2. A faster, easier way to obtain corrections in your tax documents.
3. No more waiting for the paper documents to come in the mail.
4. Reduces phone calls trying to track down your tax statements.

In order to receive **Electronic Tax Statements** from Old Mutual, you must be able to:

- Access the internet and the Old Mutual website at www.omfn.com.
- Provide Old Mutual with a current, working, personal e-mail address.
- Have Adobe software to download, view and print your statements.
- Print or retain a statement for your records.

Your authorization to Electronic Tax Statements **now** will apply **every** year going forward unless you change your election. You must either “Opt In” to receive Electronic Tax Statements or “Opt Out” to continue to receive paper statements.

Please contact us at 1-800-445-6758 prompt #5 with any questions you may have.
